Out of the income of certain trust funds a few stipends are awarded to poor but meritorious students residing in the College hostels.

PART I—Orders and Notifications by the Governor of Bengal, the High Court, Government Treasury, etc.

GOVERNMENT OF BENGAL

REVENUE DEPARTMENT.

Land Revenue.

NOTIFICATIONS.

No. 8747L R.—25th June 1943.—In exercise of the powers conferred by clause (*bb*) of sub-rule (*2*) of rule 81 of the Defence of India Rules, the Governor is pleased to make the following Order, namely:—

The Calcutta House Rent Control Order, 1943.

1. (*1*) This Order may be called "The Calcutta House Rent Control Order, 1943".

(*2*) It extends to the whole of Calcutta.

2. In this Order, unless there is anything repugnant in the subject or context,—

(*1*) "Calcutta" has the same meaning as in clause (*11*) of section 3 of the Calcutta Municipal Act, 1923;

(*2*) "Controller" means an Officer appointed as such by the Provincial Government for an area to which this Order applies;

(*3*) "house" means any building or part of a building or hut let or to be let separately for residential or non-residential purposes and includes—

(*a*) the garden, grounds and out-houses (if any) appurtenant to such building or part of a building or hut; and

(*b*) any furniture supplied by the landlord for use in such building or part of a building;

but does not include a stall let at variable rents at different seasons of the year for the retail sale of goods in a market as defined in clause (*39*) of section 3 of the Calcutta Municipal Act, 1923, or a room or rooms in a hotel, boarding house or lodging house;

(*4*) "landlord" means any person who is for the time being receiving or entitled to receive rent in respect of any house whether on his own account, or on account, or on behalf, or for the benefit of any other person or as a trustee, guardian or receiver for any other person and includes a tenant who has sublet any house and every person from time to time deriving title under a landlord.

3. No landlord with effect from the first day of December 1941 (hereinafter referred to as the prescribed date) shall be deemed to have been entitled to charge or shall charge a rate of rent which exceeds by more than ten *per cent.* the rent that was being paid on that date or, in respect of any house which was not let out on that date, a rate of rent which exceeds by more than ten *per cent* the rent which would, in the opinion of the Controller, have been paid on that date, if the house had been let out:

Provided that no enhancement of rent shall be allowed in respect of any house after the commencement of this Order except in so far as has been provided for in paragraph 8 of this Order:

Provided further that nothing in this paragraph shall apply to any periodical increment of rent accrued due under any written agreement entered into before the prescribed date.

4. Where the rent payable for any house has been fixed by any order or decree made after the prescribed date but before the commencement of this Order, the Court by which the order or decree was made may, if it is of opinion that the rent so fixed exceeds the rent chargeable under paragraph 3, vary the order or decree in such manner as the Court thinks fit for the purpose of giving effect to the provisions of the said paragraph.

5. With effect from the prescribed date no landlord shall be deemed to have been entitled to charge or shall charge a *salami* or premium for letting out a house on rent or for renewing the lease of a house.

6. No refund shall be allowed if any amount in excess of the amount chargeable under paragraph 3 or any amount referred to in paragraph 5 has been paid before the commencement of this Order.

7. (*1*) The Controller may, in cases other than those provided for in paragraph 4 on his own motion or on application made to him by any person interested, fix the rent chargeable under paragraph 3 in respect of any house.

(*2*) No landlord shall charge any rent which exceeds the rent fixed under sub-paragraph (*1*), and any agreement for the payment of any rent which exceeds the rent fixed under sub-paragraph (*1*) shall be null and void in respect of such excess.

8. (*1*) In the case where some addition, improvement or alteration, not included in necessary repairs or repairs which are usually made to houses in the locality, has been carried out in any house at the landlord's expense after the prescribed date, an additional increase in rent in respect of such house shall be permissible.

(*2*) Any increase in rent referred to in sub-paragraph (*1*) shall not exceed annually ten *per cent.* on the cost of such addition, improvement or alteration and shall not be chargeable until such addition, improvement or alteration has been completed.

(*3*) In the case where any furniture has been supplied after the prescribed date by the landlord for use in any house or in the case where a house which was let without any furniture on or after the said date is subsequently let furnished, an additional increase in rent in respect of such house shall be permissible.

(*4*) Where by reason of the exodus of people from Calcutta due to apprehension of hostile attack, the landlord has, after the prescribed date—

(*a*) reduced the rent which was being paid in respect of any house, or

(*b*) let out any house at a rent lower than the rent which was being paid in respect of the said house on the prescribed date or, in the case where the house was not let on the said date, which would have been

payable on that date if the house had been let out,

he may in the absence of any agreement to the contrary increase such rent:

Provided that the rent so increased shall not exceed the rent which was being paid in respect of the said house on the prescribed date or which would have been payable on that date if the house had been let out on that date, as the case may be.

(5) Any dispute between the landlord and the tenant in regard to any increase of rent claimed under sub-paragraph (*1*), sub-paragraph (*3*) or sub-paragraph (*4*) shall be decided by the Controller and the Controller shall, in determining any such dispute in regard to an increase of rent claimed under sub-paragraph (*3*), take into consideration the cost of the furniture supplied.

9. (*1*) No order or decree for the recovery of possession of any house shall be made so long as the tenant pays rent to the full extent allowable by this Order and performs the conditions of the tenancy:

Provided that nothing in this sub-paragraph shall apply—

(*a*) where the tenant has done any act contrary to the provisions of clause (*m*), clause (*o*) or clause (*p*) of section 108 of the Transfer of Property Act, 1882, or

(*b*) where the tenant has been guilty of conduct which is a nuisance or an annoyance to adjoining or neighbouring occupiers, or

(*c*) where the house is *bona fide* required by the landlord either for purposes of building or re-building, or for his own occupation or for the occupation of any person for whose benefit the house is held, or where the landlord can show any cause which may be deemed satisfactory by the Court.

(*2*) The fact that the period of the lease has expired, or that the interest of the landlord in the house has been transferred shall not of itself be deemed to be a satisfactory cause within the meaning of the proviso to sub-paragraph (*1*) provided that the tenant is ready and willing to pay rent to the full extent allowable by this Order.

(*3*) Where the landlord recovers possession on the ground that the house is *bona fide* required by him for purposes of building or re-building or for his own occupation or for the occupation of any person for whose benefit the house is held and the building or the re-building of the house is not commenced or the house is not occupied by the landlord or such person within fifteen days of the date of vacation of the house by the original tenant, or the house having been so occupied is re-let within six months of the said date to any person other than the original tenant, the Controller may, on the application of the original tenant made within seven months of his vacating the house, direct the landlord to put the original tenant in possession of the house and to pay him such compensation as may be fixed by the Controller.

(*4*) No tenant shall be entitled to the benefit of this paragraph in respect of any house unless he pays the rent due by him in respect of such house to the full extent allowable by this Order within the time fixed in the contract with his landlord or in the absence of any such contract, by the fifteenth day of the month next following that for which the rent is payable and, where any rent has accrued due before the commencement of this Order, also unless he has paid within three months of the date of such commencement, all arrears of rent due by him in respect of such house to the full extent allowable by this Order.

10. Where a landlord refuses to accept the rent referred to in sub-paragraph (*1*) of paragraph 9 offered by a tenant, the tenant may deposit it with the Controller within a fortnight of its becoming due and on receiving such deposit the Controller shall cause a notice of the receipt of the deposit to be served on the landlord and the amount of the deposit may be withdrawn by the landlord on application made by him to the Controller in that behalf.

11. Where any order or decree for the recovery of possession of any house has been made but the possession of such house has not been recovered before the date of commencement of this Order by the execution of such order or decree, the Court by which the order or decree was made may, if it is of opinion that the order or decree would not have been made if this Order had been in operation at the date of the making of the order or decree, rescind or vary the order or decree in such manner as the Court may think fit for the purpose of giving effect to the provisions of this Order.

12. (*1*) If any person is evicted from any house by reason of an order or requisition made in respect of such house under the Defence of India Rules, he may apply to the Controller for providing him with similar accommodation in another house subject to the payment of such rent as may be fixed by the Controller under this paragraph.

(*2*) In making an application under sub-paragraph (*1*) the applicant shall state in the application such particulars as may be specified in this behalf by the Provincial Government regarding any house in the area to which this Order applies which is unoccupied and in which the accommodation required by the applicant is available.

(*3*) On receipt of such application the Controller shall cause a notice in the form specified in this behalf by the Provincial Government together with a copy of the application to be served on the owner of the said house to show cause within fifteen days from the date of service of the notice why the said house should not be let out to the applicant on such rent as, having regard to the provisions of this Order and the circumstances of the case, the Controller may fix.

(*4*) If within the time specified in the notice referred to in sub-paragraph (*3*) or such further time as may be allowed by the Controller the owner shows cause which the Controller considers to be satisfactory, the application shall be rejected, and if the Controller does not reject the application, he shall fix the rent of such house at such amount as having regard to the provisions of this Order and the circumstances of the case he considers fair and equitable, and direct the owner to put the applicant in possession of such house.

13. For the purpose of an inquiry under this Order, the Controller may,—

(*a*) require the landlord to produce any book of account, document or other information relating to the house,

(*b*) enter and inspect the house, and

(*c*) authorise any officer subordinate to him to enter and inspect the house.

14. (*1*) Any person aggrieved by an order of the Controller may, within fifteen days from the date on which the order is communicated to him, in respect of houses in the presidency-town of Calcutta present an appeal in writing to the Chief Judge of the Court of Small Causes of Calcutta and in respect of houses elsewhere, to the District Judge of the 24-Parganas.

(*2*) The Chief Judge or the District Judge, as the case may be, shall then send for the record of the case from the Controller and after perusing such record and if necessary, making such further inquiry as he thinks fit, shall decide the appeal.

(*3*) The decision of the Chief Judge or the District Judge, as the case may be, and subject only to such decision, an order of the Controller, shall be final.

No. 8748L.R.—25th June 1943.—In exercise of the powers conferred by clause (*bb*) of sub-rule (*2*) of rule 81 of the Defence of India Rules, the Governor is pleased to make the following amendments in the Bengal House Rent Control Order,
